Third Quarterly Results Announcement 2013

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of CIG Yangtze Ports PLC (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive; and there are no other matters the omission of which would make any statement in this announcement misleading.

Review of operation

Overall business environment

The principal activities of CIG Yangtze Ports PLC (the “Company”) and its subsidiaries (collectively, the “Group”) are investments in, development of, operation and management of container ports and integrated logistic service which are conducted through the WIT Port, which is 85% owned by the Group.

With the support of the PRC Governmental policies on the development of the “golden waterway” along Yangtze River, the Wuhan municipal government has always endeavoured to give a favourable policy to the development of the port.

	<u>252,266</u>	<u>100</u>	<u>227,476</u>	<u>100</u>	<u>24,790</u>	11

Throughput achieved for the nine months ended 30 September 2013 was 252,226 TEUs, representing an increase of 24,790 TEUs or 10.9% higher than that of 227,476 TEUs for the same period in 2012. Out of the 252,226 TEUs handled, 150,949 TEUs or 60% (2012: 128,257 TEUs or 56%) and 101,317 TEUs or 40% (2012: 99,219 TEUs or 44%) were attributed to gateway cargoes and trans-shipment cargoes respectively. Throughput for the three months ended 30 September 2013 was 84,543 TEUs, representing an increase of 12,605 TEUs or 17.5% on the 71,938 TEUs achieved for the same period in 2012. Out of the 84,543 TEUs handled, 51,501 TEUs or 60.9% (2012: 43,745 TEUs or 60.8%) and 33,042 TEUs or 39.1% (2012: 28,193 TEUs or 39.2%) were attributed to gateway cargoes and trans-shipment cargoes respectively. The average tariff price for the gateway cargoes was increased from HK\$292 per TEU to HK\$296 per TEU whereas the average tariff price for the trans-shipment cargoes decreased from HK\$77 per TEU to HK\$60 per TEU due to the Wuhan Customs allowed our competing port to operate trans-shipment cargoes business whereas we are the sole operator in Wuhan in the past. During the period under review, the Group further increased the mix of gateway cargoes, which shows the Group had recovered from the challenges resulting from the Wuhan Customs allowing the Group’s competing port to operate trans-shipment cargoes in last year.

For the nine months ended 30 September 2013, the market share of the Group increased from 39.7% to 40.5% with a total of 622,817 TEUs (2012: 572,299 TEUs) handled for the whole of Wuhan.

The subsidiary of WIT, 武漢陽邏港物流有限公司 (Wuhan Yanglou Port Logistic Company Limited), operates the integrated logistic service business for the group. This company provides transportation service. The operation is under development stage and incurred losses of HK\$1.12 million during the period under review.

Group's operating results

Revenue

For the nine months ended 30 September 2013, the Group's revenue amounted to HK\$106.28 million, representing an increase of HK\$19.09 million or 21.9% from that of HK\$87.20 million for the corresponding period of 2012. For the three months ended 30 September 2013, the Group's revenue amounted to HK\$39.78 million, representing an increase of HK\$9.39 million or 30.9% from that of HK\$30.40 million for the corresponding period of 2012. During the period under review, there was a significant growth in revenue of the integrated logistic service business. During the second quarter, the Group signed a logistic servicing contract with a new customer providing logistic service. This new customer contributed to 20.3% of the Group's turnover for the period of the nine months period ended 30 September 2013 and 26.3% of the Group's turnover for the period of three months period ended 30 September 2013.

Gross profit and gross profit margin

Gross profit of the Group for the nine months ended 30 September 2013 was HK\$47.38 million, representing an increase of HK\$4.20 million as compared with the corresponding period of 2012. Gross profit of the Group for the three months ended 30 September 2013 was HK\$17.48 million, as compared with an increase of HK\$2.59 million from the corresponding period of 2012. Gross profit margins for the nine months and three months ended 30 September 2013 were 44.6% and 43.9% respectively, as compared to a gross profit margin of 49.5% and 49.0% in the respective corresponding periods in 2012. The reason for the decrease in the gross profit margin was mainly due to reducing price level to attract new business, which also resulted in a drop in the Group's overall gross profit margin.

Profit for the period

Profit of the Group for the nine months ended 30 September 2013 amounted to HK\$2.82 million, as compared with HK\$2.33 million for the same period in 2012. Profit of the Group for the three months ended 30 September 2013 amounted to HK\$1.13 million, as compared to HK\$1.71 million for the same period of 2012.

Net profit attributable to shareholders for the nine months ended 30 September 2013 amounted to HK\$1.24 million comparing with HK\$0.99 million for the same period in 2012. Net profit attributable to owners for the three months ended 30 September 2013 amounted to HK\$0.56 million, compared to HK\$1.18 million for the same period in 2012. The net profit for the three months decreased due to the increase in finance costs where the new loan was for the development of the integrated logistic business and the development of the container storage yard.

Earnings per share for the nine months ended 30 September 2013 were HK0.11 cents compared with HK0.08 cents for the same period in 2012. Earnings per share for the three months ended 30 September 2012 was HK0.05 cents compared with HK0.10 cents for the same period in 2012.

Forward looking observations

There was steady growth in the terminal and related businesses during the period under review. The construction of the container storage yard was finished in September 2013 and was put into operation.

Revenue from the integrated logistic service business grew significantly during the period under review. The business was a vertical diversification of the Group's existing terminal operation. Despite that the integrated logistic service business is now under development stage and incurred losses of HK\$1.12 million during the period under review, the Company has been working on the development of new customers to further expand the business so as to make the business become profitable in the future.

Going forward, the Company aims to further expand its market share in both businesses with an ultimate goal to add value for the shareholders of the Company as a whole.

5. Income tax expense

In accordance with the relevant income tax laws applicable to Sino-foreign joint ventures in the People's Republic of China ("PRC") engaging in port and dock construction which exceeds 15 years and upon approval by the tax bureau, WIT is entitled to exemption from PRC enterprise income tax for five years (the "5-Year Exemption Entitlement") and a 50% reduction for five years thereafter (the "5-Year 50% Tax Reduction Entitlement"). The 5-Year Exemption Entitlement, which commenced on 1 January 2008, ended on 31 December 2012 irrespective of whether WIT is profit-making during this period and the 5-Year 50% Tax Reduction Entitlement commenced from 1 January 2013 to 31 December 2017 and tax payable will be charged at 12.5%.

Corporate income tax has been provided at the rate of 25% on the estimated assessable profits derived by companies in the PRC.

No provision for Hong Kong Profits Tax has been made as the Company and its subsidiaries which are subject to Hong Kong Profits Tax incurred a loss for taxation purpose for the reporting period.

6. Dividend

The Directors do not recommend payment of a dividend in respect of the nine months ended 30 September 2013 (2012: Nil).

7. Earnings per share

The calculation of basic earnings per share for the nine months and three months ended 30 September 2013 is based on the net profit for each of the period attributable to owners of the Company and on the weighted average number of 1,177,056,180 shares (2012: 1,177,056,180 shares) and 1,177,056,180 shares (2012: 1,172,056,180 shares) in issue during the periods respectively.

No adjustment has been made to the basic earnings per share for the both period ended 30 September 2013 and 2012, as there were no dilutive potential ordinary shares in existence during the period.

Disclosure of interests

Directors', chief executives' interests in shares and short positions in the shares of the Company (the "Share(s)")

As at 30 September 2013, the interests or short positions of the Directors and chief executives of the Company in the Shares, underlying shares or debentures of the Company or any of its associated corporations (within the meaning of Part XV of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) ("SFO")), which were required (a) to be notified to the Company and the Stock Exchange pursuant to Divisions 7 and 8 of Part XV of the SFO (including interests and short positions which they are taken or deemed to have under such provisions of the SFO) or (b) to be entered into the register required to be kept under section 352 of the SFO, or (c) to be notified to the Company and the Stock Exchange pursuant to the required standard of dealings by directors of listed issuer as referred to in Rule 5.46 of the GEM Listing Rules, were as follows:
